CPA class 1-2025 graduated April 2nd. HCPA Class 1-2025 graduates May 21st and CLV-CPA 1-2025 graduates May 7th.

Field trip to the 911/311 Call Center is in process. Coroner's Office and City of Las Vegas Jail were excellent. See pictures.

The annual Dick Bennett Memorial Community Service award recipient, Wanda Block, received her award at the February 20th meeting from Chief Administrative Officer James Kilber. See photo.

Experiences and dining high bidders are enjoying their events. See photos.

If you missed the "State of the Association" address at our February meeting, it is posted on our website. My big announcement during that address was receiving our first major donation of \$20,000. The Board took action to expend those funds to match the same from the LVMPD budget for the purchase of a K9 to replace a recently retired canine officer. Cannot wait to learn his name and meet our newest officer.

For the first time ever, CPAAA was given a vendor booth at the recently completed March 23rd K9 Trials held at the South Point. Thank you, Lt. Jeff Goodwin for inviting us to participate in appreciation for the \$32,000 we have funded for a K9 and Heat Alarms kits to protect our dogs while they are in the vehicles. We had a very successful day and were able to get our name and accomplishments out in the community. All CPAAA members who helped that day along with Store Manager Karen brought some innovative and highly praised items including a limited-edition T Shirt, wristband and lanyard. See pictures. As of this writing, any shirts or lanyards left are for purchase.

His office works closely with the LVMPD and law enforcement agencies statewide to implement innovative strategies that empower officers, strengthen community partnerships, and deliver vital resources to protect our neighborhoods. EXCERPT #1 FROM THE “STATE OF THE ASSOCIATION” ADDRESS ON FEBRUARY 20, 2025

- As President, I am extremely pleased to announce a huge step for the CPAAA - our reputation of taking in monies and using those for the support of LVMPD training requests with other agencies also benefitting from training at the JETI is being acknowledged. With no funds used for administrative oversight; it has established the association as a highly regarded, transparent and efficiently run non-profit. With that recognition out in the community, we have been chosen to receive a major monetary donation of \$20,000 as a first payment with more to come. This has taken place in the last few days, with the opportunity to now entertain even bigger requests for funding. How exciting would it be to have a CPAAA funded K9. Let's all take a big bow; wow! Look what we have built together as alumni.**

MISSION ACCOMPLISHED – A NEW CANINE OFFICER HAS ARRIVED

EXCERPT #2

If you look at our Newsletters on our website you will see photos of all we funded in 2024: Organizational Development Bureau, Major Crimes and Policing, K-9, the Injured Police Officers Fund remembrances in the impressive amount of \$43,835.83; bringing CPAAA to a new high of \$216,835.87 donated since 2003. \$107,215 from 2003 thru 2016 and \$109,621 in the last 8 years. We are prudent, mindful and earn your trust everyday knowing your generosity in funding this CPAAA. Not bad for an association that charges \$25 dues.

ERIC, JANET, DENISSE, STEPHANIE, RENN, KAREN, DONNA, CAO JAMES KILBER, GERRIE, CAPTAIN LANDON REYES, ADRIANA, LAURIE, COOKIE & CAPTAIN RAUL RODRIGUEZ ARE PROUD OF THE CPAAA'S ACCOMPLISHMENTS

CLARK COUNTY FIRE DEPARTMENT

STATION #32 FEBRUARY 21, 2025

It was fantastic. Their love for the safety of others was clearly evident in just watching how each fireperson answered our questions. They were as excited to teach us as we were to learn. It was such an engaging experience. They clearly love their jobs and loved how our community appreciated them enough to want to spend time with them. And, for the mere fact they pulled out all the stops with their fabulous spread of homemade pizza, fresh salad, delicious sandwiches, a charcuterie board of fruit, and a Bundt cake, we all felt like we were celebrities. But wait...the special touch of a sparkling toast in champagne flutes and paper plates on gold chargers was over the top. **DONNA**

Jessica Shindler, Sandy King, Jo Devlin, Syrona Lawrence, Travis Franklin, Gary Franklin, Donna Klein, Dave Buchman & Laurie Buchman were the winners of the CCFD Experience. Captain Joey Virtuoso (middle) and his crew gave us an event filled day. We rode in the engine and support equipment to the strip for this grand finale photo taken by a visitor who said, "THANK YOU FOR YOUR SERVICE". We all were honored to hear those words.

From my first contact with Captain Joey Virtuoso back in late June 2024 until the CCFD experience, it was the smoothest, most exciting auction adventure we have had outside of our LVMPD experiences. The 9 members who spent time at station #32 express their sincere appreciation for the fire fighters opening their house to us for home cooked dining, engaging in a slew of Q & A, manning the hose, trying on some of the equipment and a ride along onto the strip in the engine and support vehicles. That was a thrill. So many visitors on the strip thanked us alongside each of them for our service. Our organization provides monetary support for LVMPD and all those who train at the JETI. In our hearts we felt truly special by those words and warmly honored as folks offered to be our photographer. With everyone sharing the CCFD experience as a "don't miss if offered," I believe it would be an even bigger bidding frenzy this year. Let's hope we can do it again.

SEE OUR FACEBOOK FOR DOZENS OF THE CCFD EXPERIENCE PHOTOS.

MEET OUR NEWEST DIRECTOR AT LARGE & CLV CPA LIAISONS

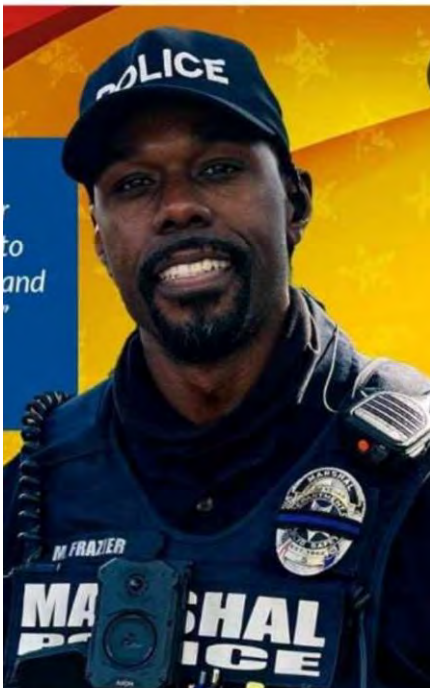

It is an honor to be part of the Board and a leader of the Las Vegas Citizen Police Academy Alumni Association. I was appointed as a Director At-Large on March 20, 2025, for which I feel very grateful and humbled to represent my entire community.

I was born and raised in Tijuana, Mexico. I studied at the University of Tijuana (CUT). I graduated with a degree in Psychology, contributing greatly to the community and addressing needs such as symptoms of depression, anxiety, stress, among others, by voluntarily helping children, adolescents, adults, and the elderly.

I worked for CRIT, Baja California - Teleton Foundation, Tijuana, Mexico, where I raised a large amount of money to benefit people with disabilities, cancer, and autism. I moved to Las Vegas to pursue my dreams and help the community. I am currently working for a foundation in Las Vegas where we provide support to many children with free health, nutrition, and education programs, benefiting many families.

I graduated from the Hispanic Civil Academy in April 2024 prepared to be leaders. I learned more about what the police do in our community and how to help many people in difficult situations, and learned more about Nevada laws. I joined the CPAAA May 2024.

I am a wife and mother to a Golden Retriever, Mila. We love taking Mila to the park for walks. My husband, Samuel, and I enjoy going to the gym, going to the lake, hiking, going to the movies, among other activities. The most important thing for me is my family. My hobby is baking. Everything I have achieved would not be possible without the support, effort, and great example of my mother and husband.

My name is Maurice Frazier, and I am originally from Richmond, Virginia. I served in the United States Navy in 2005 with one Iraqi Campaign Tour transporting the United States Marines. I got into the construction field after the military as a welder for the Newport News Shipyard building aircraft carriers. My wife and I relocated to Las Vegas, Nevada, in 2019, and I joined the Iron Workers Union, building the stadium and casinos throughout the valley. In 2022, I joined the City of Las Vegas as a Deputy Marshal, where I now serve my community. My hobbies are bodybuilding, writing, and motivating young men to be better for their families and community.

I'm Sarkis Jopalian. I am currently the Sergeant overseeing the Problem-Oriented Policing Division with the City of Las Vegas Deputy Marshal. I have worked in law enforcement for 16 years, all in the state of Nevada. During that time, I served as a correctional officer with the Nevada Department of Corrections, a correctional officer at the Las Vegas City Jail, and a Deputy Marshal on patrol.

I've been married for 10 years and have two wonderful daughters. My oldest is a freshman at the University of Southern California—Go Trojans!—and my youngest competes in gymnastics and is in the third grade. My amazing wife is a realtor and dedicates her time to volunteering at our youngest daughter's school.

We also have two dogs: Athena, a German Shepherd and Belgian Malinois mix, and Kaos, a purebred Malinois. In my spare time, I enjoy running and outdoor activities.

BRING YOUR SPARE CHANGE TO PUT IN OUR DONATION JAR. THIS YEAR MONIES WILL BE USED FOR SPECIAL NEEDS BY THE ACADEMY RECRUITS WHO MAY BE UNABLE TO PURCHASE REQUIRED EQUIPMENT IN ORDER TO CONTINUE THEIR CLASSES.

She enjoys it and people have shown their appreciation as she answers questions and acts as an ambassador too. She has secured items for the annual CPAAA holiday fundraiser and then always bids on auction items to support the Alumni Association's mission to give back. Wanda graduated in class 1-2015. CLV JAIL TOUR

CPAAA members recently had the opportunity to tour the City of Las Vegas Detention Center with Lt. Tiffany Dent and Deputy Chief Matthew Triplett. The tour included a look at the intake process, cell blocks, isolation, the kitchen, and their programs room, as well as captivating stories that highlighted the challenges faced by staff. We also met a variety of dedicated team members, from multiple corrections officers to the kitchen manager. It was an eye-opening experience that gave our group a deeper understanding of the complexities of jail operations at a misdemeanor detention facility. We're grateful to Lt. Dent, DC Triplett and their team for making the tour both informative and memorable.

LVMPD WELLNESS CENTER VISIT

LVMPD Chief Administrative Officer James Kilmer extended an invitation for our Board of Directors to tour and conference at the new LVMPD Wellness Bureau. This was an excellent opportunity to gain insight into the important work being done to support officers, employees and volunteers and their families initiated by Sheriff McMahill when he took office. Out of respect for those at the Wellness Bureau, we took no photos. Thanks to Eric for setting this meeting up. In attendance was Renn, Donna, Cookie, Stephanie, Eric and Laurie. Director Joe Hearn and a clinician answered all our questions so we are better informed to help guide LVMPD officers, employees and volunteers who could benefit from a visit. This is a most valuable resource to our entire LVMPD family.
